Woman's relief corps, No. 3, is preparing to hold a big fair next month at G. A. R. hall.

G. C. Whiting and family of this city have recently moved to Waterbury to reside. Mr. Whiting assumes the general agency of the Naugatuck valley for the C. F. Adams company of New Haven.

A Waterbury dispatch last night says: Word was received here early this morning that Eleanor A. Allen, the thirteen-year-old girl who disappeared from her home in Union City Tuesday noon, was found in Bridgeport just as she was boarding the midnight boat for New York.

Manfield post, G. A. R., of Middletown, held a big banquet and camp fire last night. Governor Coffin presided. The Rev. Mr. Pitner of New London and Commander Adams of Lafayette post, Brooklyn, N. Y., were the principal speakers. Judge Donahue of Middletown read a poem entitled "Governor Buckingham." Among those present from out of town were Rev. Mr. Pitner of New London, Past Department Commander Rogers of Meriden, Past National Commander Hicks of New Britain, Past Commander Bushnell of New Britain and Comrade Isbell of New Haven.

OFF FOR WETHERFIELD.

Sixteen convicts, two of whom are murderers, bound for State Prison.
Sheriff Spiegel will to-day take to the state prison at Wetherfield sixteen prisoners who were convicted of various crimes at the recent session of the criminal superior court. Among the prisoners will be Lorenzo Caruso and Daniel E. Barry, who will spend the rest of their natural lives in prison, having pleaded guilty to charges of murder in the second degree. Early is the man who killed Yardmaster Lyman M. Fenn last April.

ABOUT 200 ATTEND

The Royal Arcanum Banquet and Reception to Mr. Pound.
About 200 members of the Royal Arcanum gave a reception in honor of John E. Pound, the supreme regent, in Harmonie hall, last evening. Before the banquet Mr. Pound, W. O. Robson of Boston, supreme treasurer, and C. O. Spencer of Hartford made short addresses. At the banquet County Health Officer C. E. Hoadley was toastmaster. Speeches were made by John C. Gallagher, Judge Deming and Alderman Connors. The occasion was very enjoyable throughout.

Gaynor-O'Brien.

Dr. Louis J. Gaynor and Miss Mollie O'Brien were married at 9 o'clock yesterday morning in the chapel at Old Saybrook, by the Rev. Charles H. McKenna, O. P., one of the most distinguished members of the Dominican order who is a warm personal friend of the groom. The bride is well known in this city, where she has resided for about three years and is a very attractive and popular young lady. She is the daughter of Cornelius O'Brien of Lyme.

The groomsmen were Dr. S. J. Maher of this city, and the bridesmaid was Miss Sarah E. O'Brien. The bride wore a brown traveling gown.
After the ceremony a wedding breakfast was enjoyed at the home of the bride's father, and later Mr. and Mrs. Gaynor departed on a bridal tour. They will reside in this city.

CONNECTICUT JOTTINGS.

NEWS OF INTEREST FROM ALL PARTS OF THE STATE.

Football Player Hurt at Milford—Man Badly Hurt in Guilford—Newtown's Fire Bug Case—The Arrest of Corbett—A Stripling Weds a Woman of Forty—Falls Heir to \$200,000—Fires and Other News.

Milford, Nov. 7.—During a football game between two local elevens here this afternoon Christopher Lally, one of the players, was injured in a scrimmage. The left arm was broken. He was not otherwise injured.

Guilford, Nov. 7.—Timothy O'Neill, a laborer employed at John Hanna's quarry was badly injured to-day and his escape from a serious and perhaps fatal injury is miraculous. Two huge pieces of rock which had been blasted were being lifted apart. O'Neill was between the two pieces. One of them gave way slowly at first and O'Neill had just time to withdraw his body. One of his legs, however, was caught between the two masses, weighing several tons each, and the member was crushed at the knee.

LEAVING FOR SWEDEN.

Portland, Nov. 7.—Those of the striking quarrymen who happen to be Swedes are leaving for the old country. To-day three whole families started for New York and will take passage for Sweden. Twenty-five more of the quarrymen were given employment to-day on the railroad and more will be given work to-morrow.

STILL MISSING.

Waterbury, Nov. 7.—Little Eleanor A. Allen, who is mysteriously missing from her home in Union City, has not yet been found.

ANOTHER MARRIAGE.

New Canaan, Nov. 7.—Another marriage, remarkable for the disparity in the ages of the contracting parties, has come to light in this place, following closely the sensational marriage of young Buttery and Miss Ferris. William Barker, the groom in the latest clandestine marriage, is eighteen years of age, while his bride, Maria Connelly, is a bitumen woman of forty, employed as a domestic by a Philadelphia family, and is summing here during the season just closed. Immediately after her arrival in this place Maria, who is a cook by profession, began, according to report, to cast lines for eligible young men in New Canaan. She was unsuccessful until she met young Barker, who, it is claimed, is not over-bright. Attempts on the part of the couple to induce a Roman Catholic priest at Newwalk to make them man and wife were futile and so they went to Pound Ridge a few days ago and were married.

NEWTOWN'S FIRE BUG CASE.

Newtown, Nov. 7.—To-morrow will occur the hearing of the case of Michael Corbett, who was arrested yesterday afternoon on the charge of arson. Corbett has been hiding from the authorities of Newtown for several weeks, but he was captured yesterday by Constable Johnson. Corbett will undoubtedly be bound over when his case comes up at 2 o'clock to-morrow afternoon. He will be tried for being an accomplice of George Nichols, who was arrested for barn burning, bound over to the superior court. Corbett has not yet been able to get bonds. Ex-Senator Michael J. Houlihan went bonds for him in a previous case.

NEARLY ASPHYXIATED.

Hartford, Nov. 7.—A man who registered as J. W. Johnson at the American hotel last evening was nearly asphyxiated. He was drunk and before retiring blew out the gas. It is thought the unfortunate is one of the discharged deck hands of the steamer City of Springfield.

\$25,000 FIRE.

Danbury, Nov. 7.—The expensive furniture establishment in West Danbury was gutted by fire early this morning. Loss \$25,000; partially insured. Origin unknown.

STROKE OF FORTUNE.

Waterbury, Nov. 7.—Robert C. Forbes, a local music dealer and a prominent Odd Fellow, to-day received word that his father, William Forbes of Greenville, Orange county, N. Y., is heir to a large tract of land in the northern part of New York. The land is worth \$2,000,000. Mr. Forbes of Waterbury is the only son of his father. The Forbes family were formerly of Scotland and their ancestors came to this country in 1646 and settled in the northern part of the Empire state, taking up a large tract of land.

CAR BARNS BURNED.

Norwich, Nov. 7.—Greenville was the scene of a large fire shortly after midnight this morning. The Shetucket car barns, in Prospect street, were destroyed by fire. The loss is placed at \$3,000; partly covered by insurance.

A WOMAN FRIGHTFULLY BITTEN BY TWO DOGS.

New Britain, Nov. 7.—Mrs. Stanislav Sweeder was frightfully bitten by two dogs in front of her home last night. The animals attacked the woman, threw her down and inflicted serious wounds in the abdomen. Her condition was such that the wounds and shock may result fatally. To-day the physicians were unable to state whether or not she will recover. To-day her husband brought suit for \$200 against Jeremiah McSweeney, a city employe, the owner of the dogs, to recover damages for the injuries to his wife.

SHOCKING DESTITUTION OF A FAMILY.

Winsted, Nov. 7.—The humane society has had its attention called to the condition of the family of Edward Roberts at Norfolk, and yesterday Agent John F. Simmons investigated. He found that Roberts and his family, consisting of a wife and four children, dwell in a small ramshackle building in Norfolk. The building is 14x10 feet in dimensions and contains two rooms, one on each floor. In the upper room Roberts, his wife, a son, William, aged twenty-two, and three small children sleep nightly on a bundle of dirty rags. The interior is foul and filthy and Agent Simmons said that it was the worst case he had seen in his thirteen years' experience. Roberts was given two weeks in which to renovate.

Use It in Time.

Cataract starts in the nasal passages, affecting eyes, ears and throat, and is in fact the great enemy of the mucous membrane. Neglected colds in the head almost invariably precede cataract, causing an excessive flow of mucus, and if the mucus discharge becomes interrupted the disagreeable results of cataract will follow, such as bad breath, severe pain across forehead and about the eyes, a roaring and humming sound in the ears and sometimes a very offensive discharge. Ely's Cream Balm is the acknowledged cure for these troubles. n63ceditw
